The Lac La Biche U16 girls outdoor soccer team took home silver medals at the end of the Sherwood Park Classic Tournament on May 25-26.

The girls prevailed over all three of Sherwood Park's teams but lost to Lloydminster in the final match of the weekend.

"We certainly wanted a medal," said coach Al Bertschi. "We had our eyes on gold but Lloydminster has a solid team."

The team's next tournament will be the Camrose Night Classic

The Lac La Biche U16 girls soccer team took home silver medals at the end of the Sherwood Park Classic Tournament May 25-26.

Tournament on June 13-15.

Until then, the girls will be honing their skills, Bertschi says.

"There are a few things that we need to improve on," he told

the POST. "We need to get better at corner kicks. We're going to work on better anticipation and trapping."

Even so, he says, the girls have been playing well and have shown

substantial improvement as a team.

"We're very proud of the girls for winning silver," he said, "and we look forward to improving through the rest of the season."

Full roster for first ROABA tourney

The first of many, that's what Region One Aboriginal Business Association president Peter Mahowich called Thursday's inaugural golf event at the Lac La Biche Golf Club.

The organization, which acts as an information, awareness and employment hub for Aboriginal employment in the region, was created in 2012 to bring together

ideas and partners to continue the growth of Aboriginal and Aboriginal-based business in the northeast.

Mahowich said the tournament was a way for invited golfers to network with others, and spend a day enjoying one of the area's highlight attractions — and raise funds for local charities.

"We are supporting three non-profit groups in Lac La Biche

... Lac La Biche 4-H, Girl Guides of Canada and the Lac La Biche Archery Club," Mahowich told the 144 golfers assembled at the clubhouse prior to

tee off.

The golf day wrapped up with a supper and prizes at McArthur Place.

Crude Energy Services won the tourney.
